

CHANGE OF RESIDENCE FORM

This form is intended for use by parents and/or legal guardians who have moved, for the purpose of updating their address information with their current school office.

It is important that we have your current residential address on file. Moving to another catchment within the Richmond School District WILL NOT result in your child losing their placement at their current school.

In order for us to update your address, proof of residence must be confirmed by presenting one of the following documents supporting your new address: utility or service provider bill, property tax assessment, Driver's License, or ICBC car insurance. **Please complete this form and attach copies of 2 (two) of the above documents as proof of the change in your residency. Please return to your child's school office.**

UPDATED RESIDENTIAL ADDRESS INFORMATION (Please Print Clearly)

NEW ADDRESS _____ Richmond, BC _____
