We'll be inviting families by division, so please check the schedule to see when your child(ren)'s class is invited

The dates are:

FERRIS CELL PHONE POLICY

This is a reminder for parents and students. When students arrive at school, phones should be powered off and be stored in backpacks or given to the teacher. When students finish school, they may power up phones and use them. Students should not need to use their phones while at school for learning. If students need to use a phone, they may use the office phone and if you need to contact them during the school day, we ask that you phone the office. We encourage our students to make after school plans prior to arriving at school.

Please note that students should also not be using their iWatches for texting and accessing social media during school hours.
