PAC NEWS

A big thank you to all the parents, students, teachers, and staff who came out to support our 10th Annual Ferris Fun Fair on Thursday!

It was a wonderful afternoon filled with fun, laughter, and community spirit.

Congratulations to our Raffle Ticket winners! Winning ticket numbers are now posted on the PAC website.

Ferris PAC is thrilled to host a Staff Appreciation Luncheon on **Tuesday June 9th** to celebrate and thank our incredible teachers and staff for their hard work and dedication this year. We are calling on our wonderful Ferris families to help make this event special by contributing: Main dishes, Side dishes, Desserts or Beverages. If you are able to help, please complete our Google Form to let us know what you will be bringing. Kindly ensure all items are nut-free to help keep everyone safe.

Thank you for being such an important part of our school community—we look forward to finishing the year strong together!

DUCKS

This Friday, we say goodbye to our two beautiful ducklings: Sir Quacksalot II and Brightbill. While we still feel sad over the loss of Professor Duckington, it has brought great joy to our school to watch these little ones grow inside their eggs and then hatch and learn to swim. Highlights have included the duckling slide and "pinkie pets". Mrs. Martens would like to thank all Ferris Falcons for showing Ferris HEART each and every time they visited the ducklings. Farewell Sir Quacksalot II and Brightbill, good luck on the farm, you will be missed!

LIBRARY NEWS

The time has come to return all library books! With the end of the year in sight, it is time for students to begin returning all library books. Please check under beds, in cars, in the depths of backpacks and around your home to find any books that need to make their way back.
Thank you Ferris Families!

PARKING LOT SAFETY

We love seeing students walk, ride their bikes, or scooter to school! We would like to remind everyone to please lock up bikes and scooters at the bike racks. Please also ensure students are wearing a helmet, as this is required by law.

Please note that electronic scooters are not permitted on school grounds.

We would also like to remind families that parents are not to drive into the parking lot during morning drop-off or afternoon pick-up times. Parking spots are reserved for staff, and we want to keep the lot clear so students can safely walk into the school.

If you do need to enter the parking lot outside of these busy times, please drive slowly, as the safety of our students and families is our main concern.

The areas in front of the school are designated NO STOPPING zones with a 30 km/h speed limit. Please follow all posted signs and do not stop in front of the school, even for a quick drop-off. We also ask that drivers do not making U-turns, as they are unsafe and put students and families at risk.

Thank you for helping us keep our school community safe.
