Our duck eggs are growing steadily, and we anxiously await the arrival of ducklings! Every few days, Mrs. Martens candles the eggs by shining a light through to check on their progress. Unfortunately, a few of our eggs never started growing or have stopped growing, but we hope for the best for the remaining 4 eggs! While we are waiting, students have been learning all about the duck life cycle and the process of hatching eggs. Some grades are learning through a marvelous novel, *A Duckling Called Button*, while others are exploring duck stations and reading duck books. The eggs could start hatching as soon as May 15th, and everyone is looking forward to meeting the ducklings.

STUDENT REUNIFICATION DRILL:

On Tuesday, May 26, staff and students at Ferris will carry out an emergency evacuation and Student Reunification Drill. We regularly conduct emergency drills to prepare for a variety of possible situations. The drill on May 26 will practice a scenario (like an earthquake) where students will need to be picked up from school.

We are looking for parent volunteers who can arrive at the school at approximately 2:00pm, to pick up and take their child(ren) home after the evacuation part of the drill.

Staff will be following certain procedures as we carry out the drill, and student reunification is a very important part of the exercise that will follow necessary protocol.

If you wish to be part of our Student Reunification Drill in the afternoon of Tuesday, May 26 and pick up your child at 2:00pm, please email Mr. Narbett at knarbett@sd38.bc.ca and he will respond to you with further information.

FERRIS FUN FAIR

Our Annual Ferris Fun Fair is coming up on

The order deadline is Wednesday, May 20th at 11:59 PM. Orders will be distributed to your child in class on Fridays. Raffle tickets are also available for purchase by cash from PAC table at Breakfast Club and near the playground after school.
