Dear Ferris Families,

Thank you for all of your support as we have worked through the latest wave of the pandemic. Through it all, students have been fully engaged in learning and have been showing Ferris HEART by following the protocols to keep everyone safe. Student and staff absences have gone back to near normal levels and we are cautiously optimistic that we have weathered the most recent storm.

Take care and feel free to reach out to us if you have questions,

Neal Campbell and Julianna Ng

Pink Shirt Day - February 23

In 2007, two grade 12 students in Nova Scotia witnessed a new Grade 9 student being teased and made fun of for wearing a pink shirt on the first day of school. They decided to hand out pink shirts for other students to wear. By the end of the week, most students in the school were wearing pink shirts to show support for the student who had been picked on. At Ferris, we will be asking students to wear pink on February 23 as a reminder to be kind and empathetic towards other. It is one way to show Ferris HEART.

You can learn more about Pink Shirt Day by clicking [here](#).

SEL at Ferris

On the January 31 Professional Development Day, Ferris staff worked with Connie Easton, to develop strategies for explicit SEL instruction. One example is using a Mood Meter to help students recognize and name their emotions. Learning the vocabulary around emotions helps students develop self-awareness and is a starting place for beginning to manage emotions.
