Dear Ferris Families,

Spring is in full bloom and we are headed into the final two months of the school year. This will bring more outdoor learning opportunities and special events at Ferris. Our staff is looking for ways to create fun events for students while still maintaining protocols to keep our students safe. For example, Divisions 1-9 will be going to Minoru on May 10 for a day at the track and in June we will hold a Ferris Fun Day for all students.

Thank you for all of your support,
Neal Campbell and Julianna Ng

Important Dates

May 10	Ferris Track Day @Minoru (Div. 1 - 9)
May 15	PAC Yard Sale
May 20	Pro-D Day - No School
May 23	Victoria Day Holiday
May 27	Hot Lunch

Online Safety and Social Media Use

At Ferris, we strongly discourage the use of social media sites for elementary students, including chat apps such as Discord. For parents who choose to allow their children to use these platforms, it is important to monitor online behaviour. Parents should routinely talk to their children about online safety and the appropriate use of these platforms. Parents should know passcodes and should be able to access devices and accounts. THANK YOU PAC FOR SUPPORTING FERRIS iPad PURCHASES

The Ferris PAC has supported our school by funding the purchase of 30 new iPads and a charging cart. These new iPads are wonderful educational tools and will be up and running before the end of the school year.

EARTH DAY at FERRIS

Ferris students celebrated and observed Earth Day in a variety of ways, including writing, art and gardening. A couple of examples are included below. Caring for the Earth is another way Ferris students show HEART.

Division 6: Earth Day Loose Parts Art

Division 18: Recycled Art Project
