# LOST AND FOUND

Our Lost and Found bin is full! Please have your child check for any of their missing clothing items. In addition, it is always a good idea to label your child's clothing with your child's name and division, especially if they are in a lower primary grade.

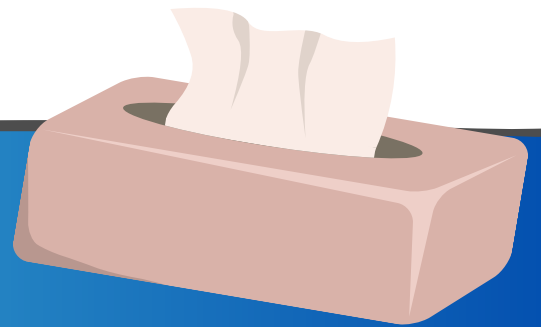

# HEALTH AND SAFETY

## What if my child is sick and can't attend school?

It's important to ensure ANY person entering the school completes a daily health check. A daily health check means checking yourself or your child for new symptoms of illness. If you or your child do not pass this daily check, please stay home until you're feeling better. Please call the school's early warning line to Inform us if your child will be absent.

We request that students who have been sick may return to school after they've been symptom free for at least 24 hours. If a teacher or staff observes a student with new or worsening symptoms of illness, we will call home for the student to be picked up early.
