LEARNING UPDATES

On Thursday December 21st your child's first Learning Update will be sent to you through the MyEd Parent Portal. If you are new to Ferris, you should have received an automated email with your user and temporary password - please be sure to check your junk and spam folders.

Passwords can be reset through the platform.

The Richmond School District continues to move towards electronic learning summaries for viewing on MyEd for all learners. Please log in to your MyEd Parent Portal to view and SAVE your child's Learning Update. They are only available for the duration of the current term and will not be accessible when the following term's learning update is published. Please take time to go over your child's Learning Update to celebrate their strengths and plan for next steps for their success.
