

# THE WEEK AHEAD

## FERRIS FALCONS

JAN 15-19

### THIS WEEK

Friday: Pizza Day

## DRESS FOR THE WEATHER

With the fluctuating weather, we want to remind parents to ensure that your children are dressed accordingly when they leave the house and that they have an extra set of clothes to leave at the school.

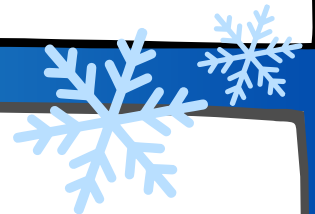

We hope to keep them dry and healthy so they can continue to attend class with their friends.

In the event of a school closure due to weather, a message will be posted on the District Website [sd38.bc.ca](http://sd38.bc.ca) and [social media](#) by 6:30am.

You can listen to Local Radio and Television Stations for School Closure updates as well.

## 2024/2025 SCHOOL YEAR

It is that time where we need to prepare for the 2024/2025 School Year. All students in Grades K-6 will be bringing home an **ORANGE** notice in their backpacks today. Please fill out, sign and return to school at your earliest convenience so we can hold your child's place at Ferris Elementary.

If you have lost this sheet, and need another, click here: [Intent to Return Form](#)

Another sheet will be sent home to all Grade 7s from their catchment High School next week.

# SHARING FRIDGE

The District is implementing a new initiative to support student health and nutrition. The District will be providing a variety of fresh and nutritious food products, starting later this month until the end of the school year.

Any student can come to the "Sharing Fridge" (at the office) which will be filled regularly and will have a rotation of fruits and high protein items, when they feel like they need a healthier snack option.

# LEARNING UPDATE REPORT

Just a reminder to check your child's Term 1 Learning Update Report.

It is available for viewing until Jan 23rd so remember to download a copy to your computer or print a copy for your own records. After this date, the report will no longer be available for access.

If you have any issues with viewing the report, please email :

[myedparentportal@sd38.bc.ca](mailto:myedparentportal@sd38.bc.ca)

# MATH CLUB

Grade 6/7 students please join Mr. Angman at lunch in the gym every Friday for Math Club
