SHARING FRIDGE

The sharing fridge is now stocked with a variety of healthy snacks for our students to enjoy. We teach and encourage our students to take what they need and when they need it. We kindly remind families that this is not to replace sending your child to school with a packed lunch and snack but for students who are still hungry after finishing their lunch, forgot their lunch at home or do not have access to fruits and veggies.

MATH CLUB

Grade 6/7 students please
join Mr. Angman at lunch
in the gym every Friday
for Math Club
