## NO DEVICES AT SCHOOL

As per Ministry of Education and Richmond School District policy, we ask students leave personal digital devices (phones, watches, tablets, etc.) at home. By doing so, we help everyone stay focused and engaged in learning.

If students do bring personal digital devices to school, the device should be kept stowed away in a secure location unless a staff member gives permission for learning purposes. This includes recess, lunch, time spent outside on the playground or school property or at school events such as basketball games. Students are welcome to use the office phone if they need to get in touch with family.

If your child is going to be away or stay home sick please phone the EARLY WARNING line and leave a message

# SNACKS/LUNCH

We really appreciate the time and effort you put into making lunches for your children each day—thank you!

Lately, we've had a number of students coming to the office saying they're still hungry after finishing their lunch. If possible, please take a moment to pack lunch together with your child so they can let you know if they feel they need more.

Also, some of you may already know that we receive snacks, fruits, and vegetables from the Richmond Food Bank. We encourage students to help themselves to a healthy snack after they've finished what they brought from home.
