2025 ENVIRONMENTAL ENHANCEMENT GRANT

Ferris has been awarded a Environmental Enhancement grant from the City of Richmond in the amount of \$260. The Grant will be used towards the garden space at the front of the school. We will have student helpers choose items, plant them and take care of our garden space.

We will be providing updates on our journey

Here is a photo of our current garden space. We can't wait to get started and have our Ferris Families enjoy this green space. A reminder to please have everyone work together to remind our students to not climb on the ledge, to stay out of the garden and to please do not pick items from the garden space.

HAPPY SPRING!

SEPTEMBER 2025 - NOTICE OF LATE RETURN

We have started planning for the September 2025/2026 school year. We understand families have also started planning family vacations and we want to remind families that the district policy states a student cannot miss more than 20 instructional days per the school year.

This however, **does not** apply for the start of the September 2025/2026 school year.

Students who are not in school by the end of day on **Friday, September 12th, 2025, will be withdrawn.**

If a family knows that they are going to return to school after Tuesday September 2nd, they can fill out a Notice of Late Return, but they must return on or before September 12th.
