SEPTEMBER 2025 - NOTICE OF LATE RETURN

We have started planning for the September 2025/2026 school year. We understand families have also started planning family vacations and we want to remind families that the district policy states a student cannot miss more than 20 instructional days during the year....

This however, **does not** apply for the start of the September 2025/2026 school year.

Students who are not in school by the end of day on **Friday, September 12th, 2025, will be withdrawn.**

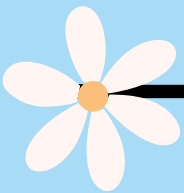

If a family knows that they are going to return to school after Tuesday September 2nd, they can fill out a Notice of Late Return, but they must return on or before September 12th.

CELEBRATING PARENTS

Over the past few years, you may have noticed that many of our classrooms have changed the way we celebrate families.

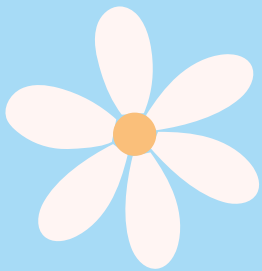

Traditionally, Mother's and Father's days have been recognized, but in an effort to reflect the beautiful diversity of our community, and to be more inclusive, many classes will be celebrating all different kinds of families on different days throughout the term.

LOST AND FOUND

The Lost and found is filling up once again. We encourage families to come to see if anything belongs to their child/children. We also ask that you label all of your children's belongings including water bottle.

All unclaimed items will be donated to a local charity at the end of the school year
