SEPTEMBER 2025 - NOTICE OF LATE RETURN

We have started planning for the September 2025/2026 school year. We understand families have also started planning family vacations and we want to remind families that the district policy states a student cannot miss more than 20 consecutive instructional days during the year....

This however, **does not** apply for the start of the September 2025/2026 school year.

Students who are not in school by the end of day on **Friday, September 12th, 2025, will be withdrawn.**

If a family knows that they are going to return to school after Tuesday September 2nd, they are required to fill out a Notice of Late Return, but they must return on or before September 12th.

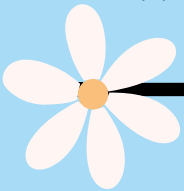

IF YOUR CHILD IS SICK...

If your child is sick, please keep them home from school to prevent the spread of illness and allow them to rest and recover. Specifically, they should stay home if they have a fever, are too ill to participate in normal activities,

It is also District Policy for a student to stay home for 24 hours if they have thrown up.

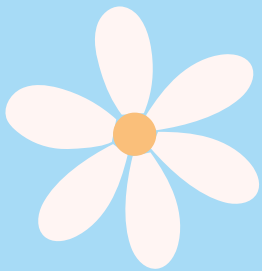

We appreciate your cooperation in helping to prevent the spreading of germs.

LOST AND FOUND

The Lost and found is filling up once again. We encourage families to come to see if anything belongs to their child/children. We also ask that you label all of your children's belongings including water bottle.

All unclaimed items will be donated to a local charity at the end of the school year
