

Register on Konstella for event news, reminders and volunteering sign-ups!

The Ferris PAC (Parent Advisory Committee) is always looking for better ways to stay connected with families. To make communication easier, we use Konstella—a secure platform designed for parent committees that helps streamline communication and build a stronger school community.

Only registered Ferris parents and guardians can access Konstella, ensuring it remains a private and safe space. On Konstella, you will find: a convenient calendar with email alerts for important school dates, volunteer sign-ups and event details and updates. We encourage all parents to join Konstella (free of charge) so you don't miss any important news or opportunities to get involved.

6. Registration is now complete! We invite you to explore Konstella and get familiar with its features. For easy access on the go, you can also download the Konstella app on your phone.

For **existing users**, under your Profile, click on “Your Children”. Click on “Change Classroom” to place your child into their new teacher for this school year.

The image shows a screenshot of the Konstella app interface. On the left, a dark sidebar menu is visible with the 'Konstella' logo at the top. Below the logo is a profile picture placeholder. The menu items are: 'Your Children' (highlighted), 'Your Roles', 'Your Businesses', 'Account Settings', and 'Sign Out' at the bottom. An arrow points from the 'Your Children' menu item to a larger screenshot on the right. This larger screenshot shows a 'Please select a classroom' dialog box. The dialog box has a title bar with a close button (X). It contains a list of classroom options, each with a teacher's name and grade. At the bottom of the dialog box are 'Cancel' and 'Select' buttons.
