PAC NEWS

We are excited to announce that the Ferris Spring Garage Sale will take place on

Saturday, March 7th from 9am to 12pm!

Please sign up through Konstella to reserve a table for \$20.

The PAC is seeking donations of small to medium-sized household items in good condition from our parent community. These donated items will be sold at the gym sale, with all proceeds supporting this year's Grade 6/7 outdoor education program at Ferris. Please label the items with suggested prices and bring them to the school gym on Friday, March 6th from 3:00 - 3:30pm.

PAC Meeting - Monday, February 9th at 6:00pm. Join us in the Ferris Lab. Child minding will be provided.

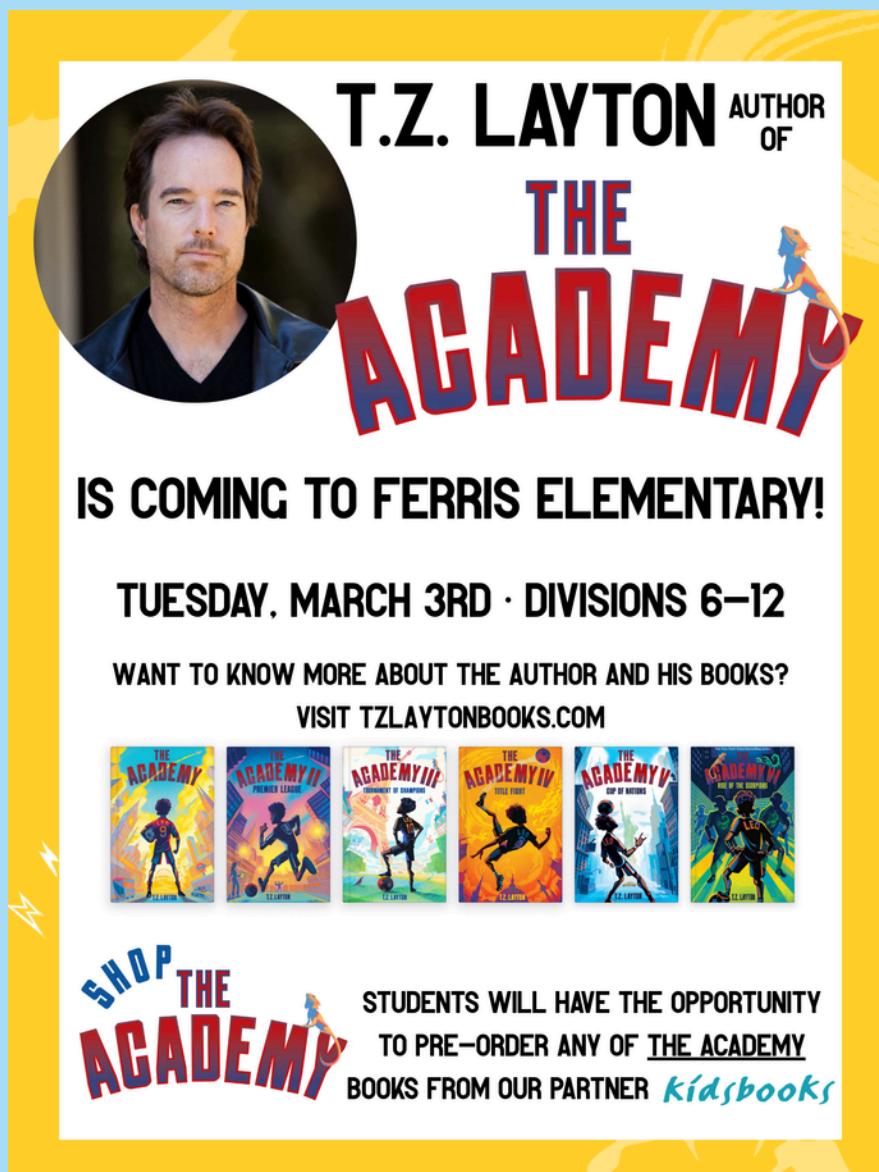

LIBRARY NEWS

In the library this year, we have been exploring all things moon in anticipation of the Artemis II mission set to launch in the coming weeks.

Have you always wanted to travel to the moon? Well, now's the chance to send your name on the Orion spacecraft to fly around the moon with Canadian Astronaut, Jeremy Hansen.

NASA will be sending names on an SD card that will fly inside Orion when the Artemis II mission launches. If you submit your name, you also receive a printable "boarding pass" for the flight. Very cool!

Scan the QR code to visit the page and send your name around the moon. Stay tuned for more information regarding the launch date or visit www.asc-csa.gc.ca/eng/missions/artemis-ii/ for more information.
